

BONALDO

Arno sofa

The Arno sofa is part of a line of armchairs and sofas suitable for imposing living rooms, which have been conceived for furnishing with elegance and comfort not only living spaces, but also offices, meeting rooms and all those areas intended for welcoming. Its small size indeed makes it suitable for many contexts. Its bespoke cut, together with the quality and clean lines that distinguish it, enhances the upholstery, which is available in

fabric or leather, both removable. Four slender metal feet support a square-shaped body, upon which rests a comfortable cushion seat, which, with its curves, softens the overall image and offers the best comfort. The Arno sofa can be combined with the Arno armchair, to create sophisticated coordinated environments.
