

**BONALDO**

# Bandy, Bandy plus

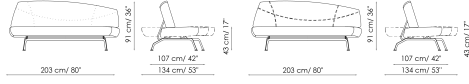

Bandy easily transforms from sofa to bed: with one practical movement, the seat advances and the backrest lowers to form a comfortable bed. An indispensable piece of furniture that, thanks to its ability to fulfil two different uses, that of conviviality and that of sleep, makes it possible to transform the intended purpose of the room of the home in which it is found quickly and easily. Useful in domestic settings, it is also particularly

suitable for contract work. The particular base in painted metal characterises the model, giving it a light and suspended shape. The upholstery, removable, is available in fabric or leather; it is also possible to embellish it with contrasting stitching or in the same shade as the upholstery (Bandy plus version).
