

**BONALDO**

# Blazer sofa

Designer: Mauro Lipparini

Lightness is the main feature of the Blazer sofa that manifests itself both in the clean lines of the body but also in the sled-shaped base in painted metal. The sinuous and curvy shape of the sofa highlights its comfort and design. The Blazer sofa is suitable not only for living spaces, but is also ideal for offices, meeting rooms and all those areas of public spaces

intended for welcoming. Its small size indeed makes it a perfect element for many contexts. The upholstery, in fabric or leather, is fully removable and is available in one-colour or two-colour (for the seat and the body) versions. The Blazer sofa can be combined with the Blazer and Blazer hi armchairs, to create sophisticated coordinated environments.
