

BONALDO

Bruno

A line which features sobriety, but is reminiscent of the designer tradition. The generous padding and curved shapes of Bruno make its image pleasantly soft. The aesthetic appeal is accentuated by the leather insert in the armrest, which defines its front and backrest, in a single line, allowing for a singular game of materials and combinations, to create a high-impact

optical effect. The upholstery, in fabric or leather, is completely removable. The base, in painted metal, gives momentum and breadth to the overall impact of the armchair. The wide range of colours available makes it possible to choose elegant tone-on-tone combinations, or opt for interesting contrasts between upholstery, insert and feet.
