

BONALDO

Picabia single bed

Designer: Giuseppe Viganò

A disorderly combination of cushions that manages to be decorative and functional, discreet yet spectacular: this is the Picabia headboard, the bed with unusual lines that offers those who choose it numerous options for personalisation, giving maximum space to creativity for a unique result and effect. The covers of the cushions that make up the headboard and one side can be monochromatic, with gradation or in contrast, in line with

personal taste, thereby giving the bed a completely different character depending on the selected combinations. The removable cover is made of fabric or leather. The colour of the wooden feet can be grey anthracite, walnut or cherry or made of matt painted metal. Picabia is available in double or single versions.
