DALL'AGNESE VANTA UNA STORIA
SIGNIFICATIVA COME AZIENDA
NEL SETTORE DEL MOBILE.
È SUL MERCATO DAL 1948
PER PROPORRE PRODOTTI
IN LINEA CON I TEMPI E DI ALTA
QUALITÀ. LO SPIRITO AZIENDALE
È RIMASTO SEMPRE LO STESSO:
CREARE UN ARREDAMENTO
COMPLETO SENZA RICORRERE
A DITTE ESTERNE, INTERVENIRE
IN TUTTE LE FASI DEL PROCESSO
PRODUTTIVO, DALLA MATERIA
PRIMA AL PRODOTTO FINITO,
ESSERE VERSATILI E ACCOGLIERE
I CAMBIAMENTI COME NUOVI
STIMOLI PER FARE MEGLIO.

Dall'Agnese boasts an important
history as a furniture-making
company. It has been on the market
since 1948, manufacturing top quality
products in line with modern styles.
Our original corporate spirit has
remained the same: to create complete
décor in-house, to be involved in the
full production process, from raw
materials to finished product, and to
be versatile, welcoming change as
new stimulus to do ever better.

COLLEZIONE **GIORNO**

day collection

SLIM / SPEED

DAY COLLECTION

Una zona giorno da rendere propria con il sistema modulare dei contenitori componibili Slim oppure con quello a spalla portante Speed. Perfettamente integrabili fra loro, creano spazi moderni, razionali e attrezzati per ogni esigenza con un carattere spiccato, sempre personale.

A living room area to make your own using the modular system of Slim mix and match storage units, or Speed units with structural side panels. They integrate perfectly with each other to create modern rational areas equipped for all needs, personal and full of character.

Der Wohnbereich kann mit dem modular aufgebauten System der anbaufähigen Stauraumelemente Slim oder mit dem System mit tragenden Seitenteilen Speed individuell gestaltet werden. Sie integrieren sich perfekt ineinander, schaffen moderne und rationelle Räume mit ausgeprägtem und stets individuellem Eigencharakter, deren Einrichtung den jeweiligen Bedürfnissen angepasst werden kann.

Une zone jour à adapter selon ses goûts avec le système modulaire des rangements modulables Slim ou bien avec celui à élément portant Speed. Parfaitement intégrable les uns avec les autres, ils créent des espaces modernes, rationnels et équipés pour chaque exigence avec un caractère prononcé, toujours personnel.

Una zona de día para hacer propia con el sistema componible de los contenedores modulares Slim o con el sistema con panel lateral portante Speed. Perfectamente integrables entre sí, crean espacios modernos, funcionales y equipados para cualquier exigencia con un marcado carácter, siempre personal.

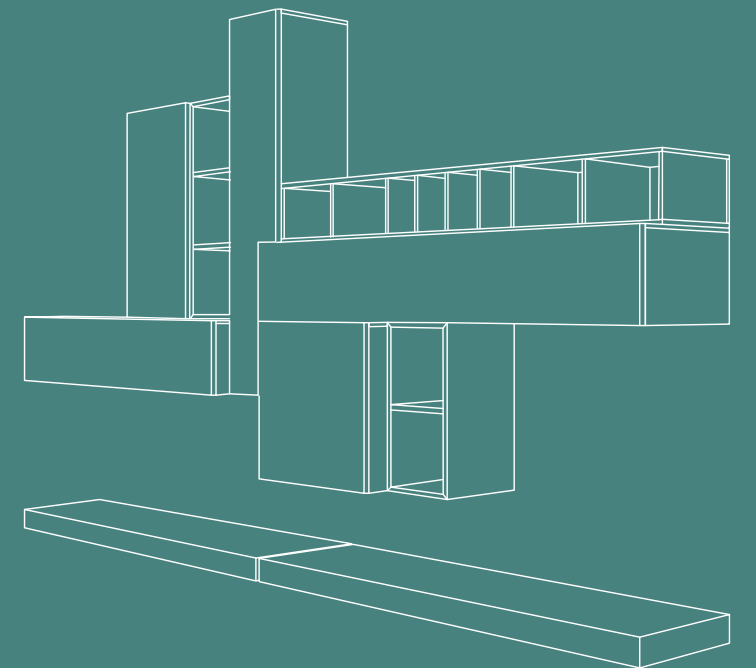

Дневная зона станет неповторимой благодаря модульной коллекции шкафов Slim или коллекции опорных боковин Speed. Они отлично сочетаются, между собой создают современные, практичные и удобные интерьеры, которые удовлетворяют любые требования, при этом им присущ яркий и индивидуальный стиль.

SLIM

Slim è versatilità destrutturata:
basi in appoggio o sospese, vani
a giorno ed elementi chiusi in elegante
rovere nodi naturale o termotrattato,
nelle resine più attuali
o negli intramontabili laccati,
lucidi od opachi. Fra gli elementi,
anche mensole, porta TV
e panche a terra, funzionali
e dal gusto contemporaneo.

Slim is destructured versatility: free-standing or
suspended bases, open units and closed elements in
elegant oak with natural knots or heat treated, ultra
trendy resins or timeless glossy or matt lacquers.
The items include functional shelves, TV stands and
floor benches with a contemporary air.

UN SISTEMA, INFINITE COMBINAZIONI

La raffinatezza della composizione risiede nei colori e nelle ampie ante scorrevoli in vetro.

Die Eleganz der Anbaulösung kommt in den Farben und den großen Schiebetüren aus Glas zum Ausdruck.

La elegancia de la composición se encuentra en los colores y en las amplias puertas correderas de cristal.

The refinement of this composition lies in its colours and large sliding glass door.

Le raffinement de la composition réside dans les couleurs et dans les grandes portes coulissantes en verre.

Цвета и большие раздвижные стеклянные створки придают композиции изысканность.
